

Document 8 — Quarterly Reporting Template

Isseksi ProjectCo — Quarterly Report to the Financial Partner

Issued every three months by ProjectCo management. Reporting period: [Q● 20●●].

#	Section	Content Required
1	Executive summary	Quarter highlights, status against plan, key decisions required
2	Capital deployed	Cumulative and quarterly deployment versus the Use of Funds schedule
3	Budget versus actual	Variance analysis by category with explanations for material deviations
4	Tranche status	Tranches paid, release conditions status, equity recognized to date
5	Mobile station progress	Procurement, fabrication, delivery, commissioning milestones
6	Quarry preparation progress	Readiness status of the four-quarry architecture and sequencing
7	Equipment and procurement	Orders, deliveries, inspections, utilization
8	Technical / QA-QC updates	Sampling, assays, quality control results, production verification
9	Working capital position	Cash balance, runway, burn rate, payables/receivables discipline
10	ESG and water monitoring	Water use, environmental controls, monitoring indicators, incidents
11	Digital tracking / Data Room	Data Room updates, reporting discipline, access logs summary
12	Risk register	Open risks, severity, owners, mitigations
13	Corrective actions	Actions opened/closed in the quarter and their outcomes
14	Next-quarter plan	Budget, priorities, execution milestones, decisions requested
15	Management certification	Certification of accuracy and completeness, signed by ProjectCo management

The partner has the right to review, ask questions, and request clarification on every section. The report confers visibility and verification — not day-to-day operational control.

ATLAS Isseksi ProjectCo — Moroccan Financial Partner Entry Window. Private transaction material — not a public offering, not a prospectus, not investment advice. Implied valuation figures are structuring references only; final terms subject to definitive documentation reviewed by qualified Moroccan counsel.
