

Document 4 — Indicative Term Sheet

Indicative Term Sheet — Capital Increase into Isseksi ProjectCo

Indicative and non-binding except as stated; subject to definitive documentation and counsel review.

Term	Position
1. Transaction name	Isseksi ProjectCo Expansion Capital Increase — Moroccan Financial Partner Layer
2. Issuer / ProjectCo	Isseksi ProjectCo / SPV — dedicated single-purpose vehicle for the Isseksi expansion phase
3. Investor type	Single Moroccan financial partner with industrial understanding (private entry; not a public offering)
4. Instrument	Newly issued ordinary shares of ProjectCo via capital increase (new money; no founder share sale)
5. Total investment	USD 3,600,000 (or agreed MAD equivalent)
6. Equity stake	Up to 10% of ProjectCo after full subscription; Sponsors retain 90%
7. Valuation reference	Implied post-money USD 36.0M / pre-money USD 32.4M — structuring reference only, not an audited valuation
8. Payment schedule	Three tranches of USD 1.2M: signing / first closing; after Gate 1; after Gate 2
9. Equity recognition	Progressive against paid capital: 3.33% / +3.33% / +3.34%; unfunded tranches confer no equity
10. Use of funds	Ring-fenced for the expansion phase per approved Use of Funds schedule (mobile station 30%; quarry prep 15%; equipment 15%; working capital 15%; technical/QA-QC 8%; water/ESG 7%; digital/Data Room 5%; legal/governance 5%)
11. Investor rights	Financial visibility, governance review, protected participation; no operational control
12. Quarterly monitoring	Structured review every 3 months: financial, technical, operational, ESG/water, Data Room, risk register, next-quarter plan

Term	Position
13. Reserved matters	Notification / approval rights on material deviations only (see Schedule); no blocking right over ordinary execution
14. Information rights	Quarterly reports; budget versus actual; tranche status; management certification
15. Data Room access	Controlled, permission-based, logged; no unrestricted geological, technical, or strategic data access
16. Future round priority	Priority participation right in future rounds; non-exclusive; no veto over capital strategy
17. Sponsor protections	No sale of founder shares; capital enters ProjectCo only; no transfer of control; no dilution outside agreed framework
18. License protection	Atlas Mining license position protected; no transfer, no pledge to the Investor
19. Technology protection	AKANIL / HYRION technology and data architecture licensed or contracted to ProjectCo; never transferred
20. Conditions precedent	Executed SHA and subscription agreement; capital increase resolution; ProjectCo bank account; approved Use of Funds and governance protocol; completed confirmatory due diligence
21. Closing process	NDA → Data Room → LOI → due diligence → term sheet → definitive documents → Tranche 1 closing → quarterly cycle
22. Legal documentation	Incorporation/designation documents; capital increase resolution; subscription agreement; SHA; Use of Funds schedule; payment protocol; reporting protocol; reserved matters schedule; AKANIL/HYRION technology license or service agreement; Atlas Mining operating agreement; NDA; Data Room protocol; future-round priority clause; budget framework

No put option, no forced exit mechanism, and no exit right after any fixed period is created by this term sheet. The Investor's recognized stake is preserved according to the shareholders' agreement after completion of the staged payments.
